Dear Industrialists

Greetings of the day

Every year a lot of people lose their life or get seriously injured due to fire-related hazards. Many of us believe we may never be in the midst of a fire accident. That is not true. A fire can happen anywhere and at any time. Industrial areas are always at a risk of fire outbreaks. The outbreak of a fire, when not handled carefully, can lead to loss of life as well as valuable assets. When dealing with a fire, it is important to remain alert at all times and follow preventive measures to avoid the chances of fire.

It's high time to take necessary steps in order to prevent losses. Confederation of Bahadurgarh Industries is moving a step ahead to protect every one of us and request all the industries of Jhajjar district to join hands together for the same. In order to do so, we would request you all to provide us the information enlisted below-

1. Name of your industry.
2. Location of your industry.
3. Capacity of the water tanks installed in your industry.
4. List of the flammable chemicals used in your industry and their extinguishing agents.
5. List of the products manufactured in your industry.
6. Number of Fire Extinguishers installed in your industry.
7. Is there any trained fire fighter in your industry? If yes, provide the details of that particular person.

We request you to provide the desired information on the below mentioned contact details as soon as possible so that we can share the same with the firefighting officials. They may use this information in case of emergencies.

Regards

Team COBI

Confederation of Bahadurgarh Industries (COBI) is delighted to inform you that the Government of Haryana has taken a great initiative to encourage the usage of electric vehicles by imposing subsidies on them. The main motive behind this scheme is to-

1. support EV adoption among citizens
2. encourage and incentivize the manufacturing of EVs & components
3. develop charging infrastructure & EV connectivity
4. Promote R&D on various aspects of electric mobility

To ensure this, the government has made Haryana Electric Vehicle Policy 2022 which is been attached below.

## **ESI Hospital construction is under process**

Confederation of Bahadurgarh Industries (COBI) is delighted to inform all the industrialists of the Jhajjar district that the construction work of the proposed ESI Hospital is now started by the government.

The permission for building this 100 bedded ESIC hospital in Bahadurgarh was granted by the central government on 17 November 2018. It took a very long time to get the construction work started. COBI constantly communicated with the ESIC department and CM of Haryana, asking them about the status of the proposed hospital. The work is now in progress with our combined efforts.

On behalf of all the industrialists of the Jhajjar district, COBI would like to thank ESIC and the government for granting permission to build this ESIC hospital. It is a great step towards the welfare and development of the industrial sector.

# Communication with Different Government Departments By COBI

## **Requesting HSIIDC to take action against the encroachment of roads in the MIE industrial area**

The Confederation of Bahadurgarh Industries has requested HSIIDC to take some action in order to remove the illegal encroachment of roads in the MIE industrial area. Industrial areas need wider roads to ensure easy passage of heavy vehicles for the movement of goods and raw materials. The illegal encroachment on the roads makes it very difficult to ensure smooth passage to these vehicles.

## **Regarding pending upgradation work in MIE Industrial Area**

Confederation of Bahadurgarh Industries (COBI) has sent a letter to HSIIDC, requesting them to provide the list of the pending upgradation works like maintenance of street lights, road maintenance, construction of ESIC hospital, etc. in different areas which comes under their jurisdiction in the industrial areas of Jhajjar district. Cobi has requested them to provide a tentative date and work order for the completion of these upgradation works.

## **COBI Delegation Welcomed Sh. Shakti Singh Ji, Regional Officer, Pollution Control Board, Bahadurgarh (Distt. Jhajjar)**

## A great initiative was taken by UHBVN for the welfare of the industries coming under their jurisdiction.

From the month of November to March, the price of the electricity consumed by the industries between 9:00 PM to 5:30 AM will be low.

To avail of this benefit, the concerned industries will have to send a letter to the UHBVN office. After which the low prices will be imposed for their consumption during the said time period.

### रात नौ से सुबह साढ़े पांच बजे तक सस्ती बिजली 18

अमित धवन • हिसार

सर्दी के मौसम में दक्षिण और उत्तर हरियाणा बिजली वितरण निगम उद्योगों को सस्ती बिजली मुहैया करवाएगा। रात के समय मिलने वाली इस बिजली को लेकर रेट तय कर सर्कुलर लागू कर दिया गया है।

उद्योगों को नवंबर से मार्च में दी जाने वाली सस्ती बिजली में एचटी कंज्यूमर में 11केवी, 33केवी लोड वाले उद्योगों को 4.25 रुपये प्रति यूनिट का रेट लिया जाएगा। इसी प्रकार 66केवी और उससे ऊपर लोड वाले उद्योगों को 3.75 रुपये प्रति यूनिट बिजली मिलेगी। इसके अलावा एफएसए, म्यूनिसिपल टैक्स, पंचायत टैक्स भी अलग होगा। डीएचबीवीएन की तरफ से साल दर साल उद्योगों को बढ़ावा देने के लिए बिजली

उद्योगपतियों को देना होगा पत्र

उद्योगपतियों को रात के समय सुविधा का फायदा लेने के लिए बिजली निगम के कार्यालय में अपना पत्र जमा करवाना होगा। निगम की तरफ से उस उद्योग को फिर रात के समय के स्लाट के अनुसार बिजली सप्लाई की जाएगी। इससे रात के समय में तेजी से उद्योग चल सकेंगे।

सर्दी में होती है अतिरिक्त बिजली

सर्दी के समय में अतिरिक्त बिजली निगम के पास होती है। कारण है निगम को थर्मल प्लांट के अलावा प्राइवेट कंपनियों से बिजली खरीदनी होती है। जबकि एसी व अन्य बिजली ज्यादा प्रयोग करने वाले उपकरण सर्दी में बंद हो जाते हैं।

सस्ती दी जाती है। सर्दी के समय बिजली की उपलब्धता भी अधिक होती है। इस लिए निगम की तरफ से रात के समय उद्योगों को चलाने के लिए सस्ती बिजली देने के निर्देश दिए गए हैं। निगम के सर्कुलर के अनुसार रात नौ से सुबह साढ़े पांच बजे तक सस्ती बिजली मिलेगी। अभी उद्योगपतियों को बिजली सामान्य तौर पर करीब सवा सात रुपये के आस पास पड़ती है।

## Your factory would be ceased if you dump the grease

It was found that many industries were dumping their grease and other oily residues directly into the sewer without any treatment. This causes a lot of problems in sewage treatment plants. Now the government has decided to take strict action against the defaulters. To ensure the development of our nation, it is our responsibility to avoid such activities and to inform the authorities about the violators.

# सीवर में वेस्ट डालने पर कनेक्शन कटने शुरू

विवाद की स्थिति उत्पन्न होने पर कार्रवाई प्रभावित हुई

हरिमूनि न्यूज ॥ बहादुरगढ़

बिना ट्रीट किए केमिकल, चिकनाई युक्त वेस्ट सीवर में डालने वालों के खिलाफ जनस्वास्थ्य अभियांत्रिकी विभाग द्वारा कार्रवाई शुरू कर दी गई है। शुक्रवार को टीम द्वारा निजामपुर रोड पर कार्रवाई की गई। कुछ फैक्ट्रियों के कनेक्शन काटे गए। इस दौरान विवाद की स्थिति उत्पन्न हो गई, जिसके चलते कार्रवाई प्रभावित हुई।

अब सोमवार को अधिकारियों की मौजूदगी में यह कार्य चलेगा।

दरअसल, इलाके में मौजूद काफी औद्योगिक इकाइयों में चिकनाई/केमिकल युक्त वेस्ट को ट्रीट करने की व्यवस्था नहीं है। इन फैक्ट्रियों का वेस्ट अवैध तरीके से सीवर लाइन में डाल दिया जाता है। इसी तरह शहर में अधिकतर हलवाई की दुकानों और वर्कशॉप का वेस्ट भी
